

## Register for the U!REKA Connects 2025 Live Stream!

U!REKA Connects is the annual event of the U!REKA European University Alliance, this year taking place in Helsinki, Finland on 21st and 22nd May 2025.

For this year's event U!REKA Connects offers an opportunity to join the event virtually! By registering for the Live Stream, you will be able to join the **Wednesday morning program on the 21st of May from 9:00-12:00 (EEST UTC+3).**

On Wednesday we will focus on European University Alliances and their transformational role for Europe. We will hear inspiring keynote speeches and panel discussions where different stakeholders from higher education institutions, cities, the European Commission and other EU-level organisations discuss the expectations towards European Universities, especially in terms of European degrees and joint campuses. We'll also focus on the Climate Neutral and Smart Cities mission which is at the heart of our alliance.

### ATTENTION!

The live stream will only be offered if there is a sufficient number of pre-registrations. Registered participants will be informed after the registration period ends, if the live stream will not be arranged. Registration for the Live Stream closes on 5th May.

U!REKA Connects 2025 will be hosted by  
Metropolia University of Applied Sciences.
